## Student Health Insurance Plan: Oklahoma State University

### Who can enroll?

All Graduate Teaching Assistants/Research Assistants with a GTA/GRA position at .25 FTE taking nine credit hours fall/spring (two hours summer) or at .50 FTE taking six (6) credit hours fall/spring (two credit hours summer), or on reduced continuous enrollment of two credit hours or more for post-candidacy doctoral GTA/GRAs will be automatically enrolled in this insurance plan. Regardless of FTE or credit hours, graduate assistant coaches (GA) as well as graduate students receiving competitive awards/grants, as defined by the Graduate College, will be automatically enrolled in this plan. A graduate student who meets the eligibility requirements determined by the OSU Graduate College is eligible and automatically enrolled in this insurance plan.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the student's legal spouse and dependent children under 26 years of age.

The student (Named Insured, as defined in the Certificate) must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, and online courses do not fulfill the eligibility requirements that the student actively attend classes. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.
